

Beth Sholom ECC Health Guidance

Below is the Covid Health Guidance for Beth Sholom ECC. The ECC Health Committee recommends vaccines for all children. These policies may be amended by the Health Committee based on the covid prevalence and severity in our community.

Communicate with the school if your child or a member of your household has tested positive for covid. If you have questions about whether your child was exposed to covid, please reach out to Health@bethsholom.org.

Send a picture of the negative rapid test to hstrauch@bethsholom.org.

Should you have any questions, reach out to Health@bethsholom.org.

Scenario	Vaccinated, Partially Vaccinated	Unvaccinated	Covid within the last 90 days
Child tests positive for covid	Stay home for 5 days. May return as early as day 6 with a negative rapid test. Or may return on day 10, regardless of testing status.
